Childrens show—Stuart Little

This is the endearing classic about a mouse named Stuart Little who is born into an ordinary New York family. All the charm, wisdom and joy of the E.B. White original are captured in this adaptation by Joseph Robinette, who also dramatized the highly acclaimed stage version of Charlotte's Web. The many adventures—both big and small—of Stuart Little are brought vividly to life in this story theatre presentation. The acting ensemble plays many human and animal roles in a series of delightful scenes that make up the marvelous maneuverings of a mild-mannered mouse trying to survive in a "real people's world."

The Curious Savage is the story of an elderly widow named Mrs. Savage, whose husband has left her \$10 million dollars. She intends to give the entire fortune away to people who wish to pursue their “foolish dreams,” but her stepchildren strongly object. To prevent her from doing away with their family’s wealth and ruining their legacy, they have her committed to a sanatorium called The Cloisters, and it is among the gentle residents there that she finds her true family. *The Curious Savage* is a warm comedy that compares the kindness and loyalty of psychiatric patients with the greed and hostility of so-called “normal people.”
